MacuHealth

- Simple Focused Formula - 3 month supply/ 1 small soft-gel daily
- Only formula containing all 3 natural macular antioxidants in the ideal ratio for optimum Macular Health and AMD protection
- 10mg- Meso-Zeaxanthin (MZ)/ 10mg Lutein/2 mg Zeaxanthin
- Meso-Zeaxanthin (MZ) is the strongest individual macular anti-oxidant
- The combination of these three anti-oxidants represents the most potent macular anti-oxidant. More potent than any individual component
- MacuHealth helps optimize serum bioavailability of circulation macular carotenoids for capture by retinal tissue
- Safe, Stable formula with no contraindications
- Statistically Significant improvement in Macular Pigment Optical Density (MPOD) and visual performance in terms of contrast sensitivity, visual acuity, and glare
